HOW WE READ IT. Property sales are Allegheny County deeds on the Western Pennsylvania Regional Data Center, read Oct 19; a deed reaches that file about ten days after it records. Liquor filings are the PLCB's and food openings are the county Health Department's food permits, both checked every Friday. Agendas, packets and minutes come from each town's own website, collected Oct 16; agenda items print as scheduled, and only minutes print as decided. Ohio Township posted nothing new this week.
