Businesses, public bodies and addresses print. People do not.

McCandless is scheduled to hold a public hearing Monday on zoning changes that would let front-yard fences go from 3 feet to 4 feet.

PLANNING AND ZONING

MCCANDLESS · PUBLIC HEARING SCHEDULED

Town Council, Mon Oct 26: zoning changes

Council is scheduled to hold the public hearing on Ordinance 1576, a set of cleanup amendments to the zoning code the town adopted in 2023. Front-yard fences could go from 3 to 4 feet tall and from 20% to 50% solid, the change residents have asked for most. The draft also reworks the Town Center district's rules to account for its streams, floodplain and traffic, and adds rules for shopping centers and multi-tenant buildings.

MCCANDLESS · SCHEDULED

Two plans up for final votes the same night

North Allegheny School District is asking for approval to add a natatorium of about 22,975 square feet, with a competition pool, at North Allegheny Senior High, 10375 Perry Hwy, plus more parking and reconfigured site roads. Pohl Construction's Harmony Manor plan would turn 8.6 acres at 9750 Harmony Rd into 12 single-family lots on a new street. The Planning Commission recommended both on Oct 6, with conditions.

Agenda and staff reports, Oct 26 packet

MCCANDLESS · SCHEDULED

Zoning Hearing Board, Wed Oct 28

The board is scheduled to hear one appeal: a resident on Doral Dr is asking to put a 4.5-foot fence in a front yard.

Agenda, Oct 28

SHALER · TRANSCRIPT POSTED

Zoning Hearing Board, Sep 10

Duquesne Light asked for a variance to build a 9,500-square-foot building for bucket trucks and equipment at 1899 Duquesne St, on a site partly in the Pine Creek floodplain, where accessory buildings are capped at 500 square feet. The board put the case off a month so someone from the company and the township could attend.

PROPERTY THAT CHANGED HANDS

ROSS · RECORDED

Gas station and convenience store, 1102 Perry Hwy

It sold for $1,262,000. The county lists it as a convenience store with gas on about three-quarters of an acre.

County deed, recorded Oct 13

FRANKLIN PARK · RECORDED

Farmland on Brandt School Rd

About 7.6 acres the county lists as a general farm, with no house number, sold for $180,000.

County deed, recorded Oct 16

They were the only single-parcel business sales among the 80 deeds in the six towns recorded Oct 7 through Oct 19 that the county has posted so far.

FOOD AND DRINK

McCandless: Churn, inside Giant Eagle at 225 Blazier Dr, received a county food permit Oct 21. Two other new permits, in Ross and Shaler, carry no business name yet. The PLCB showed no new license applications, and six licenses remain in safekeeping.

COUNCILS AND BOARDS

FRANKLIN PARK · DECIDED

Borough Council, Sep 16

Council voted to apply to the county's Redevelopment Authority for $276,700 for pedestrian work on Nicholson Rd, Lenora Dr and Rochester Rd, and approved $60,000 more for Civil & Environmental Consultants on the Bear Run and Fish Run stormwater projects. It approved a conditional use for a large detached garage on Sylvan Dr. At the pre-meeting, Council heard the borough won a $102,000 Local Share Account grant for a truck to serve as a police patrol and response vehicle.

Minutes, posted Oct 22

FRANKLIN PARK · WORK SESSION

Borough Council, Oct 7

The borough asked for $1.5 million for a Public Works building and got $500,000, so the project was redesigned as a cold storage building for equipment now kept outside. Bids are in, and Council may award in November or December after budget talks. The county plans to close Brandt School Rd to repair a large sinkhole; the detour isn't set yet.

Minutes, posted Oct 22

FRANKLIN PARK · ON THE AGENDA

Borough Council, Oct 21, amended agenda

The amended agenda carried a road use agreement letting Denoon Lumber Company haul logs on Weinman Rd and State Gamelands Rd for a timber harvest, and a renewed approval for Deerfield Estates FP Development to split a Deerfield Estates lot on Nicholson Rd into two home lots. Outcomes print when the minutes post.

Amended agenda, as of Oct 20

MCCANDLESS · MANAGER'S REPORT

Town Council packet, Oct 26

The manager's report lists a data center ordinance review and says the town received approval for an enhanced cull permit for 2027.

Manager's report, Oct 26 packet

No minutes have posted yet for Ross's Oct 19, Shaler's Oct 13 or West View's Oct 14 meetings, so the liquor license, deer hunting and fire code votes print when they do.

PROPERTY PULSE

It lists every home sold in the six towns each month, the older houses listed by address with whether the county's record shows central air, and what the permit costs in each town. Next issue Monday, Nov 2. $29 a month at northhillsbrief.com.

HOW WE READ IT. Property sales are Allegheny County deeds on the Western Pennsylvania Regional Data Center, in the file as updated Oct 23; a deed reaches that file about ten days after it records. Liquor filings are the PLCB's, and food openings are the county Health Department's food permits, both checked every Friday. Agendas, packets, minutes and hearing transcripts come from each town's own website, collected Oct 23, when Ohio Township, Ross and West View had posted nothing new. Agenda items print as scheduled, and only minutes print as decided.
