PROPERTY PULSE

It lists every home sold in the six towns each month, the older houses listed by address with whether the county's record shows central air, and what the permit costs in each town. A new issue comes out the first Monday of each month. $29 a month at northhillsbrief.com.

HOW WE READ IT. Property sales are Allegheny County deeds on the Western Pennsylvania Regional Data Center, in the file as updated Oct 30; a deed can take up to about ten days to reach that file after it records. Liquor filings are the PLCB's and food openings are the county Health Department's food permits, both checked Oct 30. Town agendas and minutes come from each town's own website, collected Oct 30, and school board files from each district's board site, collected Oct 29. Agenda items print as scheduled, and only approved minutes or a district's board notes print as decided.
